Ref.: Cambodia: Road Asset Management Project II Additional Financing (RAMP-II/AF), IDA Cr.6279KH

Subject: On-going and Upcoming Business Opportunities in 2020—Request for Bids (RFBs) likely to be advertise in World Bank Website

Responding the RGC request, the Bank approved the Additional Financing (AF) to the existing Road Asset Management Project II – Project P65249 – Credit 6272KH on 21 June 2018 and the project closing date is 31 June 2026. The project became effective since 1st October 2018. The approved credit finances road improvement and maintenance of NR4 which applies OPRC approach. The MPWT is looking for experienced international contractors to participate in the upcoming procurement of services and works for road improvement and maintenance of NR4. The MPWT would appreciate it very much if embassy/diplomatic missions could inform potential contractors from your respective country, who are interested, to participate in the upcoming procurement process which will begin from March 2020.
